

LEED Green Building

Submittal Sheet

PVC, ABS, and CPVC Solvent Cements

	Description of Section's Relevance	PVC Solvent Cements	ABS Solvent Cements	CPVC Solvent Cements
Product Offerings	Various product brands offered by Oatey SCS® that apply to information as follows.	<ul style="list-style-type: none"> • Oatey PVC Cements • Hercules PVC Cements • Harvey PVC Cements • Uni-Weld PVC Cements 	<ul style="list-style-type: none"> • Oatey ABS Cements • Hercules ABS Cements • Harvey ABS Cements • Uni-Weld ABS Cements 	<ul style="list-style-type: none"> • Oatey CPVC Cements • Hercules CPVC Cements • Harvey CPVC Cements • Uni-Weld CPVC Cements
Low Emitting Materials VOC Emission Limits	Strictest VOC regulatory limit in which governs the above products.	The strictest regulatory limit for VOC emissions regarding PVC cements is 425 g/L.	The strictest regulatory limit for VOC emissions regarding ABS cements is 325 g/L.	The strictest regulatory limit for VOC emissions regarding CPVC cements is 490 g/L.
Low Emitting Materials Product VOC Content	Best estimate of the actual VOC content within product in g/L or % by weight. Products with low VOC content may assist in earning LEED credit and improving air quality.	Regular - 492 g/L "V" Product - 415 g/L Medium- 484 g/L "V" Product - 414 g/L Heavy Duty- 481 g/L "V" Product - 398 g/L Heavy Duty Fast Set- 463 g/L "V" Product - 405 g/L Extra Heavy Duty- 474 g/L "V" Product - 413 g/L	Extra Special Black- 315 g/L Yellow- 305g/L Medium Black- 285 g/L Special Milky Clear- 310 g/L -	Regular- Under 490 g/L Flowguard Gold®- 469.4 g/L Medium- 469.4 g/L Heavy Duty- 467 g/L -
Building Product Disclosure Recycled Content of Materials	Recycled content used within product that may assist in earning LEED credit.	There is no recycled content present in these products.	There is no recycled content present in these products.	There is no recycled content present in these products.
PBT¹ Source Reduction Lead, Cadmium, Copper	Lead, Cadmium, and Copper content for use in determining LEED credit for PBT reduction.	There is no lead, cadmium, or copper present in these products.	There is no lead, cadmium, or copper present in these products.	There is no lead, cadmium, or copper present in these products.
Red List Content	Any red list materials as defined by the Living Building Challenge (LBC).	These products contain polyvinyl chloride, which has been red listed by the LBC.	These products contain no materials present on the red list.	These products contain chlorinated polyvinyl chloride, which has been red listed by the LBC.
Conflict Mineral Content	Any materials within the product that may be from the DRC (Democratic Republic of Congo).	No conflict minerals present in these products.	No conflict minerals present in these products.	No conflict minerals present in these products.
Hazardous Substance Content (ROHS)	Any substances contained within the product reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.
Location(s) Where Manufactured	Manufacturing location of the product pertains to its carbon footprint. If jobsite area is within 500 straight-line miles ² of this location, LEED credit may be earned.	Locations of manufacturing: Cleveland, Ohio Omaha, Nebraska	Locations of manufacturing: Cleveland, Ohio Omaha, Nebraska	Locations of manufacturing: Cleveland, Ohio Omaha, Nebraska
Additional Information	Additional product information relative to LEED or environmental health and safety.	No additional information available for these products.	No additional information available for these products.	No additional information available for these products.
