

# MEGATAPE™

## PROFESSIONAL PTFE TAPE

**NOTHING PERFORMS BETTER!**

**LOOKS BETTER**

80% of shower heads sold are chrome or nickel. Gray blends better.

**PERFORMS BETTER**

Harder, sharper low-lead and stainless steel threads demand a thicker, denser tape. No other tape contains more PTFE than Megatape.

Use Megatape on any threaded pipe carrying dilute acids, compressed air, aliphatic solvents, dilute caustics, cutting oils, diesel fuel oil, hydraulic fluids, L.P. gas, natural gas, petroleum solvents, steam, vegetable oils, water and many more.

**Seals on a huge variety of threaded systems:**

- Stainless steel pipe
- Cast iron
- PVC, CPVC and ABS pipe
- Brass and chrome fittings
- Gas connections
- And more!

Product Number	Size	Description	Carton Qty	UPC
15050D	1/2" X 260"	Hercules® Megatape™	120	032628150508
