Bringing High Fashion To Any Shower

Designline decorative shower drains offer rugged dependability under the sophistication of the latest, tasteful flair in plumbing. Whisking away water quickly and elegantly, Oatey decorative shower drains beautifully complement your bathroom's design, seamlessly blending in while making a statement as the centerpiece of your shower. Everyone has a unique style. Show off yours with a decorative shower drain from Oatey.

Designer Grate comes in a variety of distinctive patterns to complement modern bathroom designs and décor.

304 grade stainless steel construction has a **Sloped Drain Body** to ensure proper drainage.

Adjustable Leveling Feet offer quick and easy height adjustment during installation.*

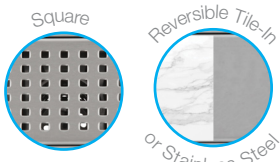

Threaded Outlet Adaptor micro-adjusts without rotation to perfectly align with the finished floor height.

Debris Basket captures hair to protect against clogs and features a sound-dampening band to help reduce rattle.

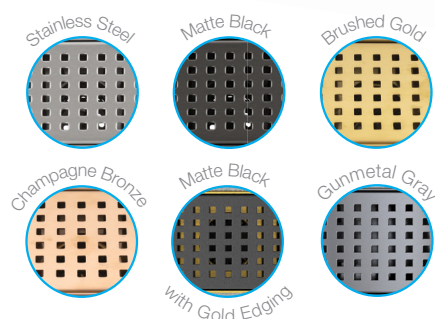

Lifting Key provided for ease of removal during cleaning and maintenance.
