SPECIFICATIONS

Oatey Galvanized Self-Fastening Hanger Strap is designed for the plumbing, heating and air conditioning trades and utilizes a patented double tab design which locks the tape into position.

APPLICATION / USES

- Galvanized Self-Fastening Hanger Strap is designed for the plumbing, heating and air conditioning trades and utilizes a double tab design which locks the tape into position.
- Consult Oatey Technical Department for applications not specifically referenced above.

PHYSICAL PROPERTIES

Material	Galvanized Steel 28 Gauge
Color	Gray
Safe Work Load	224 lbs using two tabs per strap

DIRECTIONS

Pull desired length of hanger strap from roll and cut. Attach to joist, rafter or beam with a nail or loop and secure. Loop around object to be hung and push two tabs through matching holes and bend both tabs back flush to lock into place. Check with local codes to ensure proper spacing requirements for piping support.

PRECAUTIONS

Read cautions and directions on packaging carefully before using this product. KEEP OUT OF REACH OF CHILDREN.
