1-1/2 IN. X 1-1/4 IN. SINK DRAIN PIPE ZINC SLIP-JOINT NUT AND RUBBER REDUCING WASHER TECHNICAL SPECIFICATION

SPECIFICATIONS

Make tubular drain applications a breeze with the 1-1/2 in. x 1-1/4 in. Reducing Slip-Joint Zinc Nut with Washer. The nut features die-cast zinc construction with chrome plating for a long life and transitions 1-1/4 in. O.D. tube to 1-1/2 in. tube. The included washer is made of rubber for durability. Oatey products have earned the trust of plumbing professionals for over 100 years.
