

	Description of Section's Relevance	Cable Bath Waste Conversion Kit	Trip Lever Stopper Conversion Kit	Uni-Lift Conversion Kit
Product Offerings	Various products offered by Oatey SCS [®] that apply to information as follows.	<ul style="list-style-type: none"> Plastic Tubular and Schedule 40 Cable Bath Waste Conversion Kits 	<ul style="list-style-type: none"> Trip Lever Stopper Conversion Kits 	<ul style="list-style-type: none"> Uni-Lift Stopper Conversion Kit Uni-Lift Stopper Conversion Kit with Two-Hole Cover Plate
Low Emitting Materials- VOC Emission Limits	Strictest VOC regulatory limit in which governs the above products.	There are no VOC regulations for this product.	There are no VOC regulations for this product.	There are no VOC regulations for these products.
Low Emitting Materials- Product VOC Content	Best estimate of the actual VOC content within product in g/L or % by weight. Products with low VOC content may assist in earning LEED credit and improving air quality.	This product has no VOC content.	This product has no VOC content.	These products have no VOC content.
Building Product Disclosure- Recycled Content of Materials	Recycled content used within product that may assist in earning LEED points.	There is no recycled content present in this product.	There is no recycled content present in this product.	There is no recycled content present in these products.
PBT¹ Source Reduction-Lead, Cadmium, Copper	Lead, Cadmium, and Copper content for use in determining LEED credit for PBT reduction.	Handle and screws- Max 70% copper and 0.07% lead. Strainer and stopper- Max 61% copper and 2.5% lead by weight.	Brass spud, cotter pin, bushing, and screws- Min 56% copper and max 4% lead. Zinc cover plate and handle- Max 0.4% copper.	Brass stem, screws, spud, and bushing- Min 56% copper and a max 4% lead. Zinc faceplate, uni-lift body, and optional aluminum cross bar- Max 0.4% copper.

Red List Content	Any red list materials as defined by the Living Building Challenge (LBC).	This product contains a small amount of lead, which has been red listed by the LBC.	This product contains a small amount of lead, which has been red listed by the LBC.	This product contains a small amount of lead, which has been red listed by the LBC.
Conflict Mineral Content	Any materials within the product that may be from the DRC (Democratic Republic of Congo).	This product contains no conflict minerals.	This product contains no conflict minerals.	These products contain no conflict minerals.
Hazardous Substance Content (ROHS)	Any substances contained within the product reportable per ROHS guidelines.	This product contains lead.	This product contains lead.	These products contain lead.
Location(s) Where Manufactured	Manufacturing location of the product pertains to its carbon footprint. If jobsite area is within 500 straight-line miles ² of this location, LEED credit may be earned.	Locations of manufacturing: <ul style="list-style-type: none"> • Taiwan 	Locations of manufacturing: <ul style="list-style-type: none"> • Taiwan 	Locations of manufacturing: <ul style="list-style-type: none"> • Taiwan
Additional Information	Additional product information relative to LEED or environmental health and safety.	There is no additional information for this product.	There is no additional information for this product.	There is no additional information for these products.

¹PBT's are known as Persistent Bioaccumulative Toxins.

²For use in determining distance between jobsite and manufacturing location in straight-line miles, use tool provided by this link <http://www.daftlogic.com/projects-google-maps-distance-calculator.htm>.
