# trueblue®

bath waste

Innovative, flexible and designed with the plumber in mind!

## NOW AVAILABLE IN CONTRACTOR KITS WITH LOW PROFILE DOME STOPPER, SANITARY TEE, AND ANGLE ADAPTER!

### FEATURES AND BENEFITS

- NEW to Contractor Kits:
  - Includes sanitary tee and angle adapter; all components necessary (except pipe) to install bath waste overflow assembly.
  - Kits come with low profile dome stopper in Chrome
  - Alternate finish trim kits - Matte Black, Brushed Nickel, Brushed Gold, Champagne Bronze, and White - available in low case quantities.
- Foamed rubber overflow gasket provides better compression and memory, creating a better and more reliable seal to prevent leaks.
- Overflow fitting and lock nut tighten by hand making for a fast, secure installation.
- Locking drain gasket is designed with a softer durometer and will not fall off at tricky angles. Reduces installation frustrations while creating a better seal.
- Reusable, easy to install test plugs are approved for testing up to 40 feet of head. Makes testing fast and reliable.
- Contemporary, screw-less face plate is engineered for a high flow rate and multiple tub thicknesses.

Matte Black
