

# INSIDE PIPE CUTTER

## FAST CUTTING FOR PVC & ABS PIPE

MASTERS® INSIDE PIPE CUTTER has a nickel plated steel blade for fast cutting of PVC and ABS pipe. It is easy to use with any drill. MASTERS® INSIDE PIPE CUTTER comes with an additional replacement blade for your convenience and longer use.

MASTERS® INSIDE PIPE CUTTER can be used to cut:

- ABS & PVC pipe
- Closet Flanges
- Tub waste and overflow
- Shower drains
- Sink rims (wood)

### DIRECTIONS:

- Insert MASTERS® INSIDE PIPE CUTTER into drill chuck and tighten securely.
- Run drill in forward motion; DO NOT operate in reverse.
- Insert blade into pipe you want to cut off. Squeeze drill trigger to begin cut, letting the blade penetrate completely through pipe wall, then rotate around inner circumference of pipe.
- Be sure to hold drill at a right angle to the pipe.

### PRECAUTIONS:

- Wear Safety glasses or full face protective gear.
- Avoid blade contact with concrete or other hard objects as it will shorten blade life.
