

Oatey Stain-Free Putty

Safe for all surfaces!

Oatey Stain-Free Plumber's Putty is perfect for use on today's popular natural surfaces like granite, marble, quartz and others. Unlike regular plumber's putty, Oatey Stain-Free will not stain these materials.

The patent-pending, non-staining formula is ideal for use on all surfaces found in sinks, bowls, countertops, strainers and shower bases. It remains flexible longer and will not crack or shrink. Plus it cleans up quickly and easily.

Oatey Stain-Free Plumber's Putty uses a new, oil-free formula that is safe to use on any natural porous surface, including:

- Granite
- Sandstone
- Marble
- Corian®
- Quartz
- Any other natural, porous surface.

Oatey Stain-Free Plumber's Putty is also great on plastic, providing a superior, long lasting seal where other putties simply can't perform.

Product Number	Size	Description	Carton Quantity
31177	9 oz.	Stain-Free Plumber's Putty	18
