

The Singular Solution!

The Quadtro™ offers one design for every installation

When you need a washing machine outlet box, think Quadtro. The Quadtro is the ultimate solution for installation flexibility.

The patented, versatile design allows for right, left, or center drain and bottom or top mount valves. Made of high impact polystyrene and supplied with four mounting brackets, the Quadtro boxes provide maximum durability and performance for residential applications.

THE QUADTRO ADVANTAGE:

- **Flexibility** Allows for right, left, or center drain and bottom or top mount valves
- **Easy installation** “Lock & Load” valve mounting system for quick and easy positioning
- **Durability** Box and support brackets made from high-impact polystyrene.
- **Variety** Boxes available in various tail piece configurations, giving you the specific product your customers need, including Water Hammer Arrestor SKUs

DRAIN CAN BE INSTALLED LEFT, RIGHT OR CENTER

CENTER DRAIN

RIGHT OFFSET DRAIN

LEFT OFFSET DRAIN

TOP MOUNT VALVES
